Membership Information

The University and Whist Club is a private, city-dining club housed in the historic Tilton Mansion built in 1802. We offer many options for business luncheons and dinners, depending on the size and style of your meeting, including several private meeting and dining rooms. Room fees and AV fees are waived for members.

Club Members enjoy an array of activities and programs throughout the year for personal or professional entertaining: formal and informal dinners, diverse events such as game nights, family events, takeout dining, and catering. The University and Whist schedules regular wine universities, tastings and sales; offering packaged goods at 10% over wholesale pricing.
